

Fertili-Tea Quiz

Instructions for the Organiser

Thank you for organising a Fertili-Tea and helping to raise money to support those dealing with fertility issues in the UK.

Suggested donation is £1 per play. Please feel free to increase this for teams, or just because you want to!

This quiz can be played in three ways:

1) As a group: Call out the acronyms to all attendees and people can shout out the answers.

2) Individuals: Print an answer sheet for each player and ask them to complete the answers in a set amount of time. Either collect all the sheets to mark or ask the players to swap the sheets to mark each others. The person with the best score wins a prize.

3) Teams: Print off an answer sheet for each team (there can be as many teams/players per team as you like) and follow instructions for individuals. The prize will be a team prize.
