

## The Great Fertili-Tea Bake-Off

Ready, steady... bake! It's time to roll up your sleeves, pre-heat the oven and have some fun in the kitchen – all while raising awareness and funds for Fertility Network UK.

[A gentle note: Please only include this activity if you feel it would be comfortable and not triggering for your guests. For many, fertility can be a sensitive subject – so use your judgement and focus on what feels right for your group. When appropriate, a light-hearted bake-off can be a fun and creative way to raise awareness and spark supportive conversations.]

### How to Play

Invite your bakers. Encourage everyone to bring along their most creative cake, cupcakes, or biscuits.

Set your categories.

You could award prizes for:

- Best Fertili-Tea Theme 🍵
- Most Creative Decoration 🎨
- Tastiest Treat 😊
- Star Baker ☀️

Decorate with a twist. Let your imagination run wild – think cupcakes topped with mini sugar eggs, biscuits shaped like teacups or a show-stopping cake featuring playful sperm and egg decorations!

Judging time. Nominate a few impartial judges (or let everyone vote) and hand out light-hearted prizes or certificates.

Share and celebrate. Snap a few photos, post them with @fertilitynetwork and #FertiliTea2025, and enjoy your well-earned treats together.

### Tips for a Great Bake-Off

Keep it friendly – it's all about fun while raising awareness, not perfection!

If you're short on time, shop-bought bakes are welcome with a homemade flourish.

Have a donation jar or our just giving QR code near the cake table so every slice helps support those facing fertility challenges. (QR code can be found on website)
